

How to reach the conference area

DIAG is situated in a very well connected area of Rome, within one hundred meters from the Metro station *Manzoni – Museo della Liberazione* (line A). The easiest way to reach the KR 2021 Gathering conference area is by underground ([metro](#)).

Rome is served by a metro, which has two lines, line A (red) and line B (blue). Both lines cross at the main railway station, Termini. The metro is open from 5:30 am until 11:30 pm every day, except for Friday and Saturday night, when the last train departs at 01:30 am.

A map of the underground can be downloaded from [this link](#). Tickets can be purchased at the vending machines or at newspaper stands inside the stations. From Termini station, take line A (the red one) in the direction Anagnina. Get off at Manzoni (after two stops). To reach DIAG follow Viale Manzoni until the intersection with Viale Ludovico Ariosto, then turn right until number 25.
