

Appreciation for VINIF's Sponsorship at the KR2024 International Conference

The 21st International Conference on Principles of Knowledge Representation and Reasoning (KR2024) was successfully held from November 2nd to 8th, 2024, at the Pullman Hotel in Hanoi, Vietnam. This event brought together leading experts and scholars from around the world to share insights and advancements in the field of knowledge representation and reasoning.

We would like to extend our sincere appreciation to the Institute of Big Data, Vingroup Innovation Foundation - VINIF, Vietnam for their generous sponsorship, which contributed significantly to the success of this event.

Opening Ceremony of The 21st International Conference on Principles of Knowledge Representation and Reasoning (KR2024)

Representatives from VINIF, **Ms. Tran Thu Huyen** (Manager) and **Mr. Nguyen Dang Toan** (Head of the Department of Science and Education), honored us with their presence at the opening ceremony. Their support demonstrates VINIF's commitment to advancing knowledge and fostering collaboration in this field.

VINIF contribution has played a vital role in the success of KR2024, and it has helped bring artificial intelligence (AI) closer to the Vietnamese research community. We deeply appreciate VINIF's commitment to fostering knowledge and collaboration in this field.

Vingroup Innovation Foundation (VinIF)

VinIF was founded by Vingroup with the overriding mission of supporting scientists and young talents from universities and institutes to create world-class scientific, technological and innovative researches in the field of Science, Technology, Engineering, Medicine, Economics and Education, in order to bring about positive and sustainable changes for Vietnam.

VinIF will sponsor projects, scientific works and training related to Big Data with the aim of creating practically technological products and solutions that bring practical benefits to the community.
